

## Frequently Asked Questions

### **Can I bring a friend?**

Please contact us directly if you wish to bring someone with you.

### **Are fillers safe?**

Dermal fillers are safe for injection. Complications are extremely rare, and we are trained to manage them safely.

### **How often should I book?**

This depends on your desired result. Contact us for personalised guidance.

### **Is there parking available?**

Yes, free parking is available.

### **Do you provide consultations?**

Yes, we offer free consultations with no obligation to book.

### **How soon should I book before a holiday?**

We recommend booking 2–4 weeks before events for healing time.
